

K-LOVE is a very important aspect to our everyday lives. Our kids look forward to listening to K-LOVE. It would be a tragedy to have K-LOVE taken off the air because it touches so many people's lives. It is necessary to have a radio station that everyone can feel safe listening to. With K-LOVE, I do not have to worry about my kids being exposed to sexually explicit material. It gives me peace of mind to know that they are safe listening to this station. The local community would no longer have a Christian radio station to listen to without K-LOVE.
